Replying to @GrowRemoteIrl and @weworkremotely

Hard to get exact stats on that, but as a rough estimate using LinkedIn alone with remote search enabled - in December there were 55,000 remote jobs open in Europe (or EEA). Today it's showing 60,000 remote jobs in EEA, that's 720,000 a year and growing at 8-10% every 2 months

≡ The Transition To Remote

≡ Common Problems & Solutions

Where are the challenges?

Trust issues and the perception on how work should be carried out are the biggest obstacles preventing companies from implementing remote work, according to remote managers. Technology is no longer a hurdle, and the vast majority (90%) of remote managers believe that “remote tools” will become standard even for non-remote staff.
